

ERRATUM

Open Access

# Erratum to: Classical swine fever virus NS5A protein changed inflammatory cytokine secretion in porcine alveolar macrophages by inhibiting the NF- $\kappa$ B signaling pathway

Xiao-Ying Dong<sup>1,2</sup> and Sheng-Qiu Tang<sup>1,2\*</sup>

## Erratum

Upon publication of this article [1], it was noticed that there had been an error in the processing of Fig. 4b. Although submitted correctly, the figure was published with the top left image missing. This has now been updated in the original article; please see the corrected figure below:

Received: 30 June 2016 Accepted: 30 June 2016

Submit your next manuscript to BioMed Central and we will help you at every step:

- We accept pre-submission inquiries
- Our selector tool helps you to find the most relevant journal
- We provide round the clock customer support
- Convenient online submission
- Thorough peer review
- Inclusion in PubMed and all major indexing services
- Maximum visibility for your research

Submit your manuscript at  
[www.biomedcentral.com/submit](http://www.biomedcentral.com/submit)

**Fig. 4 b** NF- $\kappa$ B Luciferase reporter assay was done to determine NF- $\kappa$ B luciferase activities
