Correction to: ZIKV infection effects changes in gene splicing, isoform composition and lncRNA expression in human neural progenitor cells

Benxia Hu^{1,2}, Yongxia Huo¹, Liping Yang¹, Guijun Chen¹, Minhua Luo³, Jinlong Yang^{4,5} and Jumin Zhou^{1*}

Correction to: *Virology Journal* (2017) 14:217

<https://doi.org/10.1186/s12985-017-0882-6>

In the original publication of this article [1], two grants from National Science Foundation of China and Yunnan Provincial Government (U1602226) and National Science Foundation of China(2016YFC1200404) were omitted in the 'Funding' section. The correct 'Funding' section is below.

Funding

This work was supported by the Ministry of Science and Technology of the People's Republic of China (2016YFA0100900), by a grant from Chinese Academy of Sciences (KSCXZ-EW-BR-6) and a startup fund from Kunming Institute of Zoology, Chinese Academy of Sciences (Y102421081), by grants from Yunnan Provincial Government (2013FA051; 2011HA005) and by National Science Foundation of China (NSFC 81471966, NSFC 81672040, 2016YFC1200404) and a joint grant from National Science Foundation of China and Yunnan Provincial Government (U1602226) to JZ.
