# Erratum to: Metabolomics of rhabdomyosarcoma cell during echovirus 30 infection

Sarika Tiwari<sup>1,2\*</sup> and Tapan N. Dhole<sup>1</sup>

## Erratum

After publication of the article [1], it has been brought to our attention that the y-axis labels are missing from the graphs shown in Fig. 7. The missing labels are shown in the corrected graphs below. The original version of the article has been revised to reflect this.
